

2012 Winter Board of Management
January 28, 2012
Embassy Suites, Colorado Springs, Colorado

Dear Colorado Daughters,

The Winter Board of Management will be held January 28, 2012 at the Embassy Suites in Colorado Springs, hosted by Kinnikinnik Chapter. You will find attached to this email the flyer with the meeting information, registration form, and hotel information. We will be having two workshops again at the Board of Management meeting, one on Saturday morning, and the other following lunch on Saturday afternoon, as well as an open house on Friday evening by the VIS committee. We hope that each of you will attend these informative workshops.

Chapter Regents, please remember that your completed Master Questionnaire (MQ) is due in January 2012. The 2011-2012 Master Questionnaire is located on the DAR Members' Web Site <http://members.dar.org> under: Forms & Publications/Miscellaneous/Master Questionnaire, or from the Colorado Members Website (www.coloradodar.org/members/) under Forms & Other Useful Documents, then under National Forms. Also you may use the electronic MQ. The electronic MQ and the chapter pin access code are located at (<http://members.dar.org/mq>) or on the eMembership Website (<http://emembership.dar.org>) under: MQ Electronic. Use the electronic MQ to fill out the forms, and then print a copy for your records. ***Please bring one printed copy of your chapter's completed Master Questionnaire to the January Board of Management meeting and give it to Corresponding Secretary, Carol Rohwedder.***

Chapter Regents, please bring one copy of your completed **Chapter Achievement** form for Chapter Achievement Chairman, Rosalind Grenfell to be placed in her box at the January Board meeting.

Chapter Regents, please prepare a report to be given at the Winter Board of Management. In an age where everyone is extremely busy, time management is essential. Your two minute report is to be on how your chapter streamlines your meetings keeping them on tract, or what unique features your chapter includes to make your meetings interesting. Sharing what your chapter does always gives great ideas and inspiration to other chapters! I look forward to hearing your reports. Please practice your report to stay within the two minute limit as Board meetings always have a packed agenda. If you are not able to attend the Winter Board meeting, please let me know, and send a copy of your report to our State Recording Secretary, Ronell Heitman at HealthHeit@aol.com.

State Chairmen, you will not give a report at the Winter Board of Management. However, if you need to make a *short* report with new information, let me know you need to be placed on the agenda and send a copy of your report to me and the Corresponding Secretary. You also may put new information material in the boxes about your committee if needed. ***At the Winter Board you will be able to pick up blank award certificates with the state regent's signature from State Vice Regent, Marcy Kimminau.*** These certificates will be filled in by you for State Conference committee presentations in April.

2012 State Conference Committee, please make sure you attend this essential meeting on Friday evening. It will be the last meeting before our State Conference in April.

All Colorado Members, if you are planning to go to Continental Congress in June and would like to serve on a Congressional Committee, please let me know before January 1st. The list will be sent to National on January 1st for assignments by the Congressional Committee and the President General.

I wish you each a wonderful holiday season with family and friends, and look forward to seeing you at the Winter Board.

Sincerely,
Gale A. Crafton
Colorado State Regent
